

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

MAY 20 1991

Possible Removal Action - Carstab Corp., Reading, OH

Ross E. Powers, Chief
Response Section I, 5HS-GI

Linda Martin
Site Assessment Manager, 5HSM-TUB-7

US EPA RECORDS CENTER REGION 5

The above referral is being investigated by this office as requested. Presently, the Technical Assistance Team is implementing the three sampling activities proposed in the Field Investigation Team report plus a biological impact evaluation of the creek. You will be kept advised of any removal decision.

If you have any questions, please contact me at FTS 378-7661.
